PS TO JUDGE

W.P.(C)No.8056 OF 2007

Dated 15th March, 2007

JUDGMENT

Koshy, J.

This is a petition for police protection. It is submitted by the contesting respondents that large number of employees were dismissed and the matter is pending before the labour authorities. An adjudication of the dispute by the statutory authority will be difficult if parties are taking law into their hands. The workers or unions cannot take law into their hands and work of the establishment cannot be interfered in any respect. Police to see that adequate and effective protection is given to the lives of the petitioner and willing workers to run the establishment and ingress and egress of the willing workers, customers and vehicles should not be obstructed in any way and adequate measures should be taken by the police. However, this is without prejudice to the right of the workers in raising labour disputes.

The writ petition is disposed of accordingly.
